

# Change Notice

## LB Series

### Changes to LB PCB Adaptors AT711 & AT712

Type of Change:

- Engineering     Part Number
- Product         Appearance

**LB Series Double Pole PCB Adaptor AT712**

The PCB adaptors for LB series will undergo some modifications. Both the single pole (AT711) and double pole (AT712) adaptors have a recessed area on the side of the case. After the change, the side of the case will not have an indented area, but will be smooth on all sides. Additionally, the older logo on the case bottom will be updated.

Shown: AT712	PCB Adaptor Case	Logo
<b>Before Changes</b>	<p>Indentation in side of adaptor case</p>	<p>Bottom of adaptor case with older logo</p>
<b>After Changes</b>	<p>Side of adaptor case <b>without indentation</b></p>	<p>Bottom of adaptor case with <b>updated logo</b></p>

**Notes**

Contact the factory if more details are needed.

**Effective Dates**

Changes to LB Series PCB Adaptors AT711 & AT712 will be effective December 2016.
